2011 FALL LEAF COLLECTION PROGRAM

We collected about two hundred ninety three tons of leaves during our 2010 leaf collection. Thank you to all that participated.

Please place all leaves along side of the road on lawn area within six feet (6') of road edge. Placing leaves on lawn allows the leaves to dry and the vacuum can pick them up easier. Leaves must not be placed on the roadway, as this can cause a traffic hazard and will not be picked up by the Road Crew. Do not block storm drain inlets and drainage areas. Our leaf vac cannot pick up sticks and branches so please do not mix them with your leaf piles. Leaves can be placed in paper leaf bags but not in plastic bags.

Fall leaf collection for 2010 will be the weeks of October 24th, November 7th and November 28th. There are no longer dedicated days for each development or street. Please have your leaves at curbside for collection.

Thank you for your participation and cooperation.

If you have any further questions, please contact the East Brandywine Township Office at (610) 269-8230, or visit our website at www.ebrandywine.org.
