**RE: Bondsville Mill Park**

Dear Friends:

The Bondsville Mill Committee is pleased to announce the final draft of the Master Plan for the Bondsville Mill Park is nearly complete. Rettew Associates is putting the final touches on the plan document at this time.

Because you expressed an interest in the plan and attended the January 25<sup>th</sup> public meeting where the draft plan was first presented, we would like to invite you to attend the July 21<sup>st</sup> meeting of the Board of Supervisors when the final plan draft will be formally presented to the Board for their consideration to adopt. Approval is subject to any final comments from the Board and the public during the July 21st meeting. Final acceptance of the report document is also contingent upon the approval of the Department of Conservation & Natural Resources who funded 50% of the cost of the Master Site Plan project. The meeting begins at 7:30 PM, and will include a short PowerPoint presentation which will review the evolution of the plan for this site.

If you are unable to attend this meeting, or would like to review these presentation materials prior to the public meeting, the plan document and PowerPoint presentation should be available for viewing on our Township web site at [www.ebrandywine.org](http://www.ebrandywine.org). A link to the Bondsville Mill Park Master Site Plan is available on the left side of the home page. I hope to have these items available on our web site a week prior to the July 21<sup>st</sup> meeting.

If you have further questions, please contact me at the Township Office at (610) 269-8230 x 203. We look forward to seeing you on July 21<sup>st</sup>.

Sincerely,

Scott T. Piersol, Township Manager
