

East Brandywine Township Historical Commission

Township Building

October 10, 2007

7:30PM

In Attendance:

James Buczala

Carl Josephsen

James Tobin

John Black

Steffenie Kirkpatrick

Charles Giordano

The meeting minutes generated by Jim Tobin were reviewed through June 2007.

Jim Buczala will bring the photos of the township's historic resources to the next meeting, and we will decide which to display at the Township Building.

Jim is also waiting to hear from the county on the completion of the survey sheet. He is adding photograph reference numbers to the spreadsheet in order to tie photos taken during the field survey to the other property information on the sheet.

Urban Partners met with the Planning Commission to share a proposed vision of Guthriesville. It included having Wawa and Sunoco on the same west-bound side.

The Zoning Ordinance Task Force delayed approval of the Historic Resource Protection Standards Ordinance.
