

EBHC Monthly Meeting
10 March 2010
7:30 PM
East Brandywine Township Building

In attendance:

John Black
Jim Buczala
Betsy Barr
Dave Dilworth

Called to order at 7:35 pm.

Historic Resource Preservation Award: A draft of the HR Award, complete with language and image, was presented by Jim Buczala and discussed. The language and appearance of the award met with approval, with minor wording adjustments.

- ❖ Jim Buczala will finalize a draft of the award for submittal to the Township for approval.
- ❖ Betsy Barr will look into folders for the presentation of the award.

Bondsville Mill Update: Jim Buczala presented an update regarding Bondsville Mill Park Committee activities. The Township conducted a public meeting presenting the general plans and vision for the Mill site to the neighbors of the Mill and residents of the Township on January 25, 2010. Information regarding visions for the historic structures and the natural areas were presented. The presentation went well with no significant issues identified.

Historic Resources Map Update: The HR Map update of the Zoning Ordinance was approved by the Board of Supervisors at a public meeting on February 17, 2010. There were a few property owners that raised concerns during the meeting, but John Black and Jim Buczala were able to sufficiently discuss the issues until the owners felt comfortable. There was one owner, Mr. Fallon, that remained uncomfortable.

Treggo Farm House Artifacts: The Commission reviewed the contents of a box that contained documents stored in the Treggo Farm House. The documents included ledger books that may be of significance for the Township, as a whole.
