RE: Pension Plan disclosures – Act 44 of 2009

The Board of Supervisors reviewed the pension plan disclosures of Bruton Financial Advisors, Eagle Investment Advisors, and Conrad Siegel, Inc. at their public meeting on December 2, 2010. The Board found the disclosures to be thorough, and in compliance with the requirements of Act 44 of 2009. The Board took no exceptions to any of the information contained in the disclosures, and believes none of the issues identified in those disclosures constitute a conflict of interest.

On behalf of the Board of Supervisors,

David A. Kirkner, Supervisors' Chairman
