Keep this flyer as a handy reference.

RECYCLING

- **TUESDAY** is the new pick up day for recycling
- All recyclables will be picked up at *curbside* weekly—no need to transport recyclables to our Recycling Center
- Two new recycling containers will be provided to each residence. Put your address on the containers for identification; they are your responsibility if lost or stolen
- Green container stacks on top of blue container—less storage space
- Lid for blue paper container prevents blowing paper
- All residents must participate in our recycling program
- Annual fee for recycling is only \$63.00 per residence

Recyclable Items

- **#1 & #2 Plastics**—milk, water & soda bottles, laundry care products, and prepared food containers
- **Clear, green & brown glass**—beer, liquor and soda bottles, food jars
- **Aluminum, steel & tin**—beverage and food cans
- **Mixed paper**—newspapers, magazines, phone books, catalogs, cereal boxes, grocery bags, home & office paper, books, envelopes, letters, junk mail, wrapping paper, and similar paper products
- Small amounts of cardboard (boxes) must be flattened and tied
- Large corrugated or cardboard boxes must be flattened and taken to the East Brandywine Township building (not accepted at curbside)

How To Prepare Your Recyclables

- Cans, bottles, jars and plastics should be rinsed clean
- Compress plastics and cans to reduce volume; do not break glass
- Commingle cans, glass and plastics in the green container
- Mixed paper is stored loose in the blue container

Curbside Pick Up

- Place recyclables at curbside on **MONDAY** evening or early Tuesday morning for pick up **TUESDAY**; this will help keep volume at a reasonable level
