Frequently Asked Questions

- ***Question: Which night of the week/what time will my child play games?***

Until player registration is complete, it is not possible to confirm the game nights/game times. The number of teams in each age group must be determined in order to create the final schedule. Following the player draft (early December), coaches will notify their players regarding season schedule.

- ***Question: Where will my child play games?***

Boys and girls in the 8-9 year age group will play games at the Brandywine Wallace Elementary School. Most games in the 10-12 year age group and the 13-17 year age group will be played at Downingtown Middle School or the Delaware County Community College - Downingtown campus.

- ***Question: Can I request a specific coach or fellow team player for my child?***

Teams are chosen at the player draft and the most important selection factor is balanced teams. The kids have the most fun if the teams are evenly matched. Preferences cannot be guaranteed. Gym locations are local so car pool/team placement requests are not considered.

- ***Question: Even if I don't know much about basketball, how can I help with the league?***

Because of the dedication of our EBYA volunteers, hundreds of children in our area experience the joy of organized team sports. The growth of our sports programs has created a great need for volunteers. Our volunteers are some of the busiest people in the community but, somehow, they find time to share with EBYA. You can do it, too! You don't need to be an athlete or coach to help. We'll find a role for any volunteer. Besides coaching and referees, we need help with player registration, uniform coordination, scorekeepers, web site development/maintenance, fund raising, team photo coordination and team parent coordination. Indicate your preference on the registration form. Your child will appreciate your involvement. It is a rewarding experience.
