Briefly describe why you wish to serve on these Boards, Commissions, or Committees.*

I'm interested in being part of the effort to preserve remaining natural areas of the township.

Describe your qualifications and/or skills which would benefit these Boards, Commissions, or Committees *

I have 38+ years of experience working as an environmental consultant with emphasis on a natural resources area of expertise. I have worked extensively with both private citizens, developers and energy companies along with large commercial developers. I believe I can offer insight to the committee on natural features and also serve our community.

Do you reside in East Brandywine Township?*

Yes No
