

Sandy-

I would like to express my gratitude for being a part of the Parks committee for the last 9 months. I enjoyed learning

the ins and outs of East Brandywine Parks Department and working with everyone on the board.

As you're aware, I am getting married this year and my fiancé and I will be moving to Phoenixville next month.

With moving out of East Brandywine, I am resigning from the Parks and Recreation board.

Thank you very much,

Calley Wright
