EAST BRANDYWINE TOWNSHIP QUARTERLY NEWSLETTER

HELP EAST BRANDYWINE TOWNSHIP THRIVE!

VOLUNTEER POSITIONS AVAILABLE

LOCAL GOVERNMENT IS the most responsive form of government available to the people. While we may have concerns about how our country and state are doing, it is the decisions that are made right here in our Township that have a significant impact on your day-to-day services, laws, and taxes.

We the people elect the Board of Supervisors who are responsible for our Township staff, Police Department, municipal services, land use and zoning, and much more.

The best way to know what is happening in your community is to participate or work right here in East Brandywine. Convenient and meaningful work.

Currently, we have several volunteer opportunities. All committees always welcome your participation even if there is no formal position open at this time. Get involved! See the calendar for committee meeting times.

Find what interests you most and volunteer (or apply) to become part of the decision-making process of this Township! Go to EBRANDYWINE.ORG/JOBS.ASPX to learn more.

Volunteer Spotlight

Mike Corbin

“Volunteers do not necessarily have the time; they have the heart.” –Elizabeth Andrew

HEART IS WHAT Mike Corbin has had for East Brandywine Township for over thirty years. His knowledge and service have been instrumental in planning and development as the Township has grown. As the first to be named by the Township as Volunteer of the Year in 1983, he has never wavered in his service to our community.

He is one of the original members, and longstanding chairperson, of the Municipal Authority, and an integral part of the Planning Commission. As developers acquired land, Mike has stood guard to ensure regulations were followed, most especially when it came to ground water recharge vs stream discharge. Volunteers and residents who have served alongside Mike on committees and projects laud his contributions.

“Mike has championed many great stands against developers,” shared Dave Summers. “He has never been afraid to stand up and ask tough questions. Because of Mike’s persistence, our Township is recharging close to 100% of our treated affluent, which has resulted in many local benefits.”

Mike’s environmental background served the Township well. He led the Municipal Authority to design, build, and operate the current three wastewater treatment facilities in the Township. And he was key to stopping the loss of Brandywine River water during the five plus years legal battle with the company now known as Aqua in the early 2000’s.

Historic Commission Fall Speakers Series

Presentations Are in the Township Building

Peter Miller, Forgotten Woman of American Modernism

SUNDAY, SEPTEMBER 17, 2023, 3 PM

Paul Gratz will introduce the American Modernist and Surrealist, female painter, Peter Miller (1913-1996.) He will speak about her life, her work, and Paul's personal story behind the collection of over 200 paintings, the conservation process, and the writing of the first ever published, comprehensive monograph of the artist.

Peter Miller was an artist, a philanthropist, a mystic, and a woman of endless passion for nature and exploration. Her artwork was infused and inspired by this immersion into the spiritual world. Every painting of Peter's is a story, reflecting her heart and soul.

Peter (Henrietta Myers) Miller and her husband bought Rock Raymond Farm in 1937 in East Brandywine where they lived until their deaths, splitting time between their home here and one in New Mexico. She died at 83 years old in 1996 at the Rock Raymond farm.

Presenter: Paul Gratz is a conservator, gold leaf specialist and owner of Gratz Gallery & Conservation Studio, Inc. After he acquired the estate of Peter Miller in 2020, he conserved the collection, researched her history, and is now honoring her legacy with Peter Miller: Forgotten Woman of American Modernism.

Peter Miller standing next to one of her paintings, ca. 1935, photographer unknown.

Women in Penn's Woods

SUNDAY, OCTOBER 15, 2023, 3 PM

Robyn Young, author of "Women in Penn's Woods: A History of Women in Pennsylvania" will share information on these women, some of whom are being commemorated on historical markers throughout the state.

Old Caln Historical Society Presentation

SUNDAY, NOVEMBER 19, 2023, 3 PM

President of the Old Caln Historical Society, Dawn Coughlan, will present a 'travel through time' photo history of Caln Township. She will tell about the artifacts and memorabilia housed in the Old Caln Meeting House.

Culp's Garden at Bondsville Mill Park

Plants are Springing Up All Over

IT WAS A busy Spring at Bondsville Mill Park. Delivery of plants in mid-May gave the regular volunteer gardeners plenty to do in all areas of the park, but most especially in Culp's Garden. Fairlie can be seen here with 36 of the 1,100 Tithonia plants. David Culp is examining his master design for the garden/plant placement and the Baptisia was planted and thriving in time for Mother's Day!

The Township Roadmaster and crew came in with their heavy equipment to place historic stone wall sections in Culp's Garden. At one time these pieces were part of a section of wall in the Old Mill. The addition of the stone sections adds a visual uniqueness to the developing garden.

Once again, the AXA XL insurance company has stepped up their support for Culp's Garden. Sandy Moser's application to cover the cost of additional needed plants for this garden has been approved. The new grant will mean volunteers can dress up both entrances to the garden and replace plants that don't make it or fill in where there's an unexpected hole. Since the application is specific to plants it will be only used for this purpose.

Placement of historic stone wall sections.

Take a walk in the park this summer to see the new plantings, visit the Nature Library on Saturday mornings, or visit one of the programs or events. See what's happening at the park here: WWW.BONDVILLEMILLPARK.ORG

Volunteer Mike Corbin

[CONTINUED FROM PAGE 1]

"Mike's role on both planning and the authority has greatly benefitted the township. The truth is these are not razzle-dazzle committees," said Sandy Moser. "Who cares about drinking water until their well runs dry? Who cares about retention basins until one nearby isn't installed properly and there's a flooding problem? Mike did, does, and will continue to care."

Jay Fischer adds, "Mike's always been well prepared, asks pertinent questions, and is focused," "Leading the Municipal Authority to get the large Applecross Community plant built and running without a glitch was quite an accomplishment."

Thank you, Mike, for your sincere willingness to dedicate your time, expertise and heart for the benefit of all.

PICKLEBALL BRINGS GENERATIONS TOGETHER

LOOKING FOR SOMETHING new and fun to do this summer? Families in the Township have been getting in on the fastest growing sport in the United States—Pickleball!

School-aged children, teens, parents and grandparents meet up at Community Park to have a fun time playing and learning pickleball with one another.

While no formal dates and times are set—stop by the pickleball courts and get in on the fun. Find out for yourself why pickleball is so popular!

Can Your Recycling Containers Be Recycled?

By Matthew VanLew, Township Roadmaster

AT OUR PUBLIC Work yard, we have been stockpiling used and damaged recycling containers in anticipation of recycling them. The problem was, we didn't know where these large containers should go. I've been asking those within my network, "Can recycling containers be recycled?"

Patti Lynn, Recycling Resource Manager for Chester County Solid Waste Authority, shared they have difficulty with recycling containers at the landfill. "These containers do not compact and more importantly, do not decompose. Any time we can remove recyclable items from the waste stream it is a benefit to the environment."

Lynn referred me to Jeff Furmanchin, General Manager at TotalRecycle, Inc. located in Birdsboro, Berks County. TotalRecycle has Chester County's Process and Marketing contract for about fifteen municipalities in Chester County. This groundbreaking, state-of-the-art, single stream recycling facility is the showcase of parent company, J.P. Mascaro and Sons,' steadfast commitment to a greener environment. TotalRecycle contains cutting-edge technology that allows for the precise sorting and processing of recyclable materials.

TotalRecycle does not accept recycling containers from residents or individuals at their facility, but they do accept them in bulk. All the containers sent to their facility are damaged and are not able to be reused.

Thanks to everyone involved, East Brandywine Township was able to remove about seventy-five recycle containers from our yard and prevent them from ending up in the landfill.

If you have a Township owned recycling container that is damaged contact the Township office. We will deliver a new one and take the empty, old one away. Do not drop recycle containers at the Public Work yard. Only cardboard and mixed recyclables are accepted at the Township's facility.

EAST BRANDYWINE TOWNSHIP

Recycling & Trash Programs

RECYCLING

TUESDAY will remain the pick up day for curbside recycling removal in 2023.

In 2016 Township, with assistance from the PA Department of Environmental Protection, purchased and distributed new containers, also called "Toters," to all residents except those in townhomes without garages.

The Township has two sizes of recycle Toter: 35- and 64-gallon. Most homes have the 64-gallon variety however homes with very long driveways, and the homes of senior citizens or individuals with mobility disabilities may request the smaller size.

64 Gallon Toter Cart L: 31.50" x W: 24.25" x H: 41.75" 35 Gallon Toter Cart L: 23.75" x W: 19.75" x H: 34.25" Legacy Bin L: 15" x W: 18" x H: 15"

All residents must participate in our recycling program per PA law. Recycling also significantly reduces the Township's tipping fees for garbage at the landfill--Keeping your annual fees low!

The annual fee for recycling is only \$90.00 per residence.

RECYCLABLE ITEMS

#1 thru #7 plastics: Such as milk, water and soda bottles; laundry care products; and food containers.

Clear, green & brown glass: Such as beer, liquor and soda bottles as well as food jars

Aluminum, steel & tin: Such as beverage and food cans.

Mixed paper: Such as newspapers, magazines, phone books, catalogs, cereal boxes, grocery bags, home or office paper, books, envelopes, letters, junk mail, wrapping paper, and similar paper products.

Cardboard (small boxes): These must be flattened and tied.

Very large corrugated or cardboard boxes must be flattened and taken to the East Brandywine Township building (**not accepted at curbside**).

PREPARING RECYCLABLES

Cans, bottles, jars and plastics should be rinsed clean.

Compress plastics and cans to reduce volume; do not break glass.

CURBSIDE PICK UP

Place recyclables at curbside on **MONDAY** evening for pick up **TUESDAY**.

TRASH REMOVAL

TUESDAY will remain the pick up day for curbside trash removal in 2023.

Annual fee for trash removal is only \$170.00 per residence.

WEEKLY TRASH PICK UP

Put your trash at curbside on **MONDAY** evening; the hauler starts at 6:00 A.M.

Weekly limit is the equivalent of three 35 gallon containers or bags from each residence.

May substitute one three foot by three foot securely tied bundle for one 35 gallon container or bag.

Township will pay landfill tipping fee (per ton cost to dump trash). The hauler will strictly enforce the limit.

By recycling, you can avoid exceeding the allowable amount of trash. Paper accounts for 35% of our waste.

BULK TRASH PICK UP

Bulk Trash accepted on the last pick up day of each month.

One large item permitted each month, or the equivalent of two 35 gallon or bags in addition to weekly limit.

Weight limited to an item two men can easily lift.

ACCEPTABLE BULK TRASH

Furniture, small appliance, water heater, or similar item.

Any air conditioner, refrigerator or freezer must display a sticker certifying the removal of the refrigerant ("freon") by an authorized dealer or repair facility.

UNACCEPTABLE TRASH

Automotive parts, tires, building materials, etc.

Leaves and similar compostable materials.

Christmas trees are accepted at the Municipal Complex after Christmas until late February for composting.

Items included in the Covered Device Recycling Act (Act 108) of 2010, namely: desktop computers; laptop computers; computer monitors; computer peripherals; tablets; televisions; and e-readers.

YARD WASTE

The township offers leaf collection once in the spring and for three weeks in the fall (dates are always announced on www.ebrandywine.org). For those collections, residents are encouraged to place leaves on their lawns within 6 feet of the edge of the road. Road crews then use a leaf vac to pick up all the leaves.

Visit www.ebrandywine.org to learn about limited Wood Chipping service available to residents.

There is an additional monthly pick-up of certain bagged yard waste during the spring through early fall. This service is offered six times a year on the last Saturday of the month. Please check the website for exact dates.

HOUSEHOLD HAZARDOUS WASTE

Please visit www.ebrandywine.org to learn about special programs for Household Hazardous Waste collection. Additional information about Household Hazardous Waste can be found at www.chestercountyswa.org.

COMMERCIAL

Commercial Properties are those properties used primarily for commercial or industrial purposes.

All commercial properties must recycle aluminum cans, newspapers, plastic containers, and green, brown and clear glass containers, corrugated paper, and high-grade office paper. All commercial properties must contract with a licensed collector to provide recycle services OR utilize the Township's Curbside Service. To use the Township's Curbside Service commercial properties must meet both of these requirements:

- The volume of recyclable materials generated at the commercial establishment will fit in the Township-provided containers; and
- The commercial establishment has access to a curbside location.

Instructions for commercial properties who utilize the Township Curbside Recycle Service are the same those listed for residential customers.

All commercial establishments may use the recycle drop-off facility located at 1214 Horseshoe Pike.

Find more information at WWW.EBRANDYWINE.ORG

DARC BOARD REPRESENTATIVE NEEDED

EAST BRANDYWINE TOWNSHIP needs a DARC representative. As volunteers, board members have credibility in their community. Your support for DARC throughout the community increases our success and our ability to positively impact the lives of our neighbors.

As a DARC Board Member, your responsibilities would include:

- Attending monthly meetings.
- Being available and willing to assist with occasional DARC participating events within your community and sometimes beyond.
- Promoting DARC and its services by interacting with event attendees and sharing information about our diverse programs.
- Contributing as a representative from your municipality.
- Having a positive and proactive attitude and desire to serve your fellow residents.
- Facilitating communications between the DARC organization and your municipal leaders.
- Enjoying the experience of being a DARC Board member.

All BOD Members must complete two background clearances:

- PA Child Abuse Clearance
- PA State Police Criminal History Clearance

BOD Meeting Schedule:

Meetings are held the second Thursday of each month (JAN to JUN, SEP to DEC). Meetings in JUL and AUG are only held if necessary.

Downingtown Area Recreation Consortium

Summer Activities

WITH THE HELP of East Brandywine Township, DARC continues to develop new and innovative programs to meet the growing needs of our community. We promote fair play, good sportsmanship, group, and individual competition, physical fitness, and more. We have new and exciting opportunities coming up this Summer! For more information or to register, visit DOWNTOWNP.A.MYREC.COM/INFO/DEFAULT.ASPX. Questions: Call **610-269-9260**.

SUMMER CAMPS

We continue to offer our popular half-day playground camps at Beaver Creek or Pickering Valley Elementary schools and our full day Adventure Camps for elementary and middle school students. We also offer a huge selection of specialty camps!

ENGINEERING FOR KIDS

Ages 8-14 (June 19-23 at East Brandywine Township Building)

- **9am-12pm: Hardware Engineering—Get wired with Makey Makey**
Imagine playing video games with just your body, in this camp children will get to discover unique ways to interact with technology. They will create their own customized video game controller with things you can find in your kitchen.
- **12:30-3:30pm: Electronic Game Design—Racing Games-Motorcross**
Your children will hoot and holler as they create a storyboard that outlines the rules of play and characters for a game based on the rules of racing.

ART CAMPS

Calling all elementary school level artists and teens who are interested in Art workshops, enameling, glazing, and more! **Young Rembrandts Mix Media Camps** (July 3-7: 8:30am-4pm or ½ day options at East Brandywine Township Building). They will explore different styles (drawing, cartooning, anime manga), patterns and different coloring medias (crayons, colored pencils, markers, oil pastels or acrylics).

LEGO SUMMERS CAMPS AT EAST BRANDYWINE TWP BUILDING

Let your child's imagination run wild with tens of thousands of LEGO parts as we design and build.

- **Pokémon Engineering using LEGO Materials:** Ages 5-7
(July 17-21 from 9am-12pm)
- **Pokémon Master Engineering using LEGO Materials:** Ages 7-11
(July 17-21 from 1-4pm)
- **Minecraft Engineering using LEGO Materials:** Ages 5-7
(August 21-25 from 9am-12pm)

[CONTINUED ON PAGE 7]

East Brandywine Parks and Recreation

Join Us for Summer Fun

WE WANT TO send a "Very Big Thank You" to all the sponsors and golfers who participated in our recent "Fore the Parks" Golf Outing. The day was sunny and beautiful, and the event was very successful. All money earned will go towards the future All Abilities Playground.

FAMILY MOVIES DUSK, COMMUNITY PARK

Encanto

FRIDAY, AUG 18 (RAIN DATE: AUG 21)

DON LYNN SUMMER CONCERT SERIES 6:30PM, COMMUNITY PARK

West Chester Swing Kings

THURSDAY, JUL 6

The West Chester Swing Kings is a nineteen-piece big band. Playing music from the golden years of the 40's by artists like Glenn Miller, Woody Herman, Tommy Dorsey as well as contemporary artists like James Brown, Brian Setzer and Big Bad Voodoo Daddy.

Elvis

THURSDAY, AUG 3

Jay Allen is the impersonator that separates himself from the rest with a combination of Elvis' voice, looks and moves. From young 50's Elvis to the '68 comeback to 70's Elvis enjoy a show that will leave you 'all shook up!'

DARC Activities

[CONTINUED FROM PAGE 6]

- **Minecraft Master Engineering using LEGO Materials:** Ages 7-11 (August 21-25 from 1-4pm)

INTRO TO FILM & TV: ACTING AND BEHIND THE SCENES

(August 7-August 11, 9:00am-3:00pm at East Brandywine Twp Building)
Does your child have a dream of working as a cast member or part of a TV crew? Each day will be different, creating fun projects: commercials, film scenes, music videos, public service announcements and more.

DOWNTOWNTOWN JUNIOR SUMMER TENNIS TEAM

Join us at Downingtown West High School every Wednesday for our Junior Summer Tennis Team (ages 9-17), including tennis matches against other teams in the area.

YOUTH SOCCER

Join us at East Brandywine Community Park on Thursdays or Sundays with Soccer Shots (ages 2-8).

BUS TRIPS

DARC is offering bus trips to events within a few hours of East Brandywine. Skip the parking fees and tolls and spend a whole eight hours in the city to do what you please. Most trips depart at 7:15am from Ashbridge Manor in Downingtown and return around 8:30pm. This summer we are going to New York City, Atlantic City Air Show, US Open Tennis Tournament and more.

Don't forget our discounted tickets to amusement parks, movie theaters, and other attractions!
