

## Attachment L: Shed Permits

### Section L1: Supplemental Questions

1. On what date will the shed be delivered or construction commence? \_\_\_\_\_
2. Will the shed be wired for electricity?

Yes  No

### Section L2: Required Attachments

1. Please attach two (2) copies of plot plan sketch must show the property boundaries with the location of the shed in relation to other structures on the property, including the shed setback distances from the side or rear property lines. See [§399-75](#) of the East Brandywine Township Code.
2. Please attach one (1) copy of any brochures describing the shed if purchasing a pre-fabricated shed to be delivered to the site.

### Section L3: Inspection Schedule Acknowledgement

The issuance of this building permit requires you to comply with all provisions set forth in the Uniform Construction Code. Listed below are the stages of construction when the East Brandywine Township Codes Official must be notified. Inspections must be scheduled twenty-four (24) hours in advance. Failure to notify the township before proceeding to the next step will result in a stop work order. All inspections are scheduled by Township Staff at (610) 269-8230.

#### 1. SETBACK INSPECTION

Conducted prior to delivery or construction of the shed, this inspection is to determine the shed location complies with the setback requirements in [§399-75](#) of the East Brandywine Township Code.

#### 2. FINAL INSPECTION / ELECTRICAL INSPECTION

This inspection occurs after the shed is delivered or built.
